DUT Call 2023 - Timeline

Call structure

Transnational Part (2 Stages)

Stage 1: Pre-proposal

Submission of a pre-proposal, including a concise project description as well as a description of the partners. If the pre-proposal is selected, the project consortium is invited to submit a full proposal.

Stage 2: Full proposal

Submission of a full proposal, only if the pre-proposal is invited to participate in Stage 2.

National/Regional Part

- All project partners will be evaluated according to national/regional eligibility criteria and requirements.
- **Important!** Some Funding Agencies require submission of a proposal on national/regional level. See the respective national/regional requirements for more information.

Transnational project structure

Fictional example of linking of a project to different funding agencies

Who can apply

Research organisations: Higher education institutions including universities, university colleges; research institutes or other entities with research undertakings;

Urban government authorities such as regional and local government institutions, municipalities and municipal organisations, city authorities, urban public administrations, and infrastructure and service providers;

Companies and commercial organisations;

From the culture and creative sectors, e.g., artists and designers

Consumers and civil society representatives

such as local and community organisations, non-governmental organisations, not-for-profit organisations, citizens' representatives;

IMPORTANT!

Please be well aware that not every Funding Agency in every country may fund every organisation type. Organisation types that can be funded may also differ for research types, pathways and even topics in one country or region. When building a consortium pay attention to table 1 in Annex A and the information listed for each country in the Annex A.

Consortium roles

- **Main Applicant**
- **Co-applicants**
- **Co-operation Partners**

Partnering support

The DUT Call requires project consortia from at least

- **three independent legal entities**, applying for funding from
- **three different countries** that have Funding Agencies participating in the call;
- **two eligible Applicants** within the consortium must be **from different EU Member States** or Associated Countries eligible for EC co-funding for this Call
